Setting Educational Trends

Newsletter

Dear Parents/Guardians and SETTIANS,

Session 2020 has come to an end. This year had been the most challenging year in history due to the pandemic of COVID-19. This year led us to explore a lot within ourselves.

This year was not only challenging for health and safety but also for education systems. The world is now exposed to new areas of technology and so had the schools. This year students' effective learning was the biggest challenge for the schools/teachers and parents.

Session 2020 opened a door of an amazing E-Learning system to our students and teachers.

With the tremendous support of The Learning Pitch team, our school launched SET-EdBox. The feature broke the barrier of distant learning, as it provided teachers' recorded lectures, reference videos, online quizzes, and tutorials to learn and access widely. It enabled us to enter into the new world of digital learning and acquire updated techniques to teach children online.

We appreciate parents and students who supported the idea and showed cooperation in making it successful. We expect similar support in the future too. Salute to our teachers for their untiring efforts in recording lectures, designing assessments and making distance learning possible.

Wishing everyone best wishes for the coming year!

DAWN YOUNG WORLD MAGAZINE

A poem composed by a student of class VIII-A, Dua Fatima was published in the Dawn Young World Magazine on 27th March 2021. The title of the poem was "**Believe**". This great achievement has motivated other students as well to put in their efforts to get their work recognized on the national level.
Below is the text of the poem.

Believe
And you will achieve
Believe in yourself and in your dreams
No matter how impossible it seems
Your dream might be hard to attain
Believe in yourself and you'll move mountains
No matter how slow is your pace.
Believe and you will win the race.
People will say you won't be able to
Your dream is too hard to pursue
Don't you let them tell you what you could be?
Just say watch me
No matter how much chances of success are slim
Be brave to stand for what you believe in
Hard work and belief is all you need
To reach your goal and succeed
Believe
And I am sure, you will achieve.

یوم دفاع

یہ کس نے ہم سے لہو کا خراج پھر مانگا

ابھی تو سوئے تھے مقتل کو سرخرو کر کے

۶ ستمبر ۱۹۶۵ یہ دن ہماری عسکری تاریخ کا انتہائی اہم ترین دن ہے۔ یہ دن ہمیں اس دن کی یاد دلاتا ہے جب پاکستان کی مسلح افواج اور پوری قوم نے بھارتی جارحیت کا منہ توڑ جواب دے کر اپنی سرحدوں اور قومی وقار کا بھرپور دفاع کیا۔ پوری قوم نے مسلح افواج کے ساتھ یکجہتی کی بینظیر مثال پیش کی ۔ یہ جنگ مسلح افواج اور پوری قوم کی جدوجہد تھی۔ اس جنگ کی کامیابی کا سہرا قوم کے شہیدوں اور غازیوں کی لازوال قربانیوں کے سر ہے۔ یہ قربانی رہتی دنیا تک اور آنے والی نسلوں کے لیے مشعل راہ کا کام کرتی رہے گی۔ شہیدوں کی انہی قربانیوں کو خراج تحسین پیش کرنے کے لیے دی سیٹ اسکول میں پروگرام منعقد کیا گیا جس میں طلبا کو اس دن کی اہمیت سے روشناس کرایا گیا، ملی نغمے پیش کیے گئے۔ طلبا نے تقاریر اور دل چھو جانے والے ٹیبلو پیش کیے۔

شہیدان وطن کے حوصلے تھے دید کے قابل

وہاں پر شکر کرتے تھے جہاں پر صبر مشکل تھا

۵ فروری یوم یکجہتی کشمیر

“There is a general knowledge that I am multi-dimensional, that when you are creative you do a lot of things." **Suzanne Somers**

Today, general knowledge plays an essential role in defining one's growth and success. No matter what we choose to do in life, the key is to learn and gain more knowledge in different fields. One needs to go beyond academics to excel in other areas. A kid's achievement depends on how much he or she is getting from the surroundings. General knowledge opens different avenues for one's seeking. It develops students' social, sensitivity, reasoning, and analytical thinking skills.
